# Novità 2022

**People home**

Ampliamento della gamma People con tetto e illuminazione incorporata. Disponibile con pannello alto o basso.

Extension of the People range in the version with roof and built-in lighting. Available with high or low panel.

**Quiet**

Moduli componibili caratterizzati da schienali e braccioli double face e doppia altezza schienale.

Composable modules characterized by double-sided backrests and armrests and a double-height backrest.

**Mi chair**

Poltroncina con sinuoso braccio in alluminio, completata da un'ampia gamma di basi.

Armchair with sinuous aluminum armrest, completed by a wide range of bases.

Fauteuil avec sinueux accoudoir en aluminium, complété par une vaste gamme de piétements.

**People work**

Versione privacy con scrivania, che garantisce l'isolamento necessario in ambienti open space.

Pod version with its individual desk, that guarantees the privacy required for open-space environments.

**Bakku**

Sistema di imbottiti modulare, composto da quattro pouf, uno schienale e un tavolino.

Collection of four ottomans that allows to create relax islands within community spaces.

**Plot**

Serie di pannelli fonoassorbenti rivestiti in tessuto, disponibili da terra e da parete.

Line of fabric upholstered sound absorbing screens, available for wall fixing or self standing.

Ligne de panneaux phono absorbants en tissu, disponibles pour fixation aux murs ou debout.

# Una ricerca a favore dell'ambiente.

11

**REVIVA**  
from plastic to textile

**Il tessuto IR REVIVA** si ottiene da un filato realizzato riciclando le bottiglie di plastica. Con il recupero di 500 bottiglie produciamo il tessuto necessario per rivestire un divano a tre posti, consumando il 94% in meno di acqua, il 64% in meno di energia e riducendo del 32% le emissioni di CO<sup>2</sup>.

#### A research in favour of the environment.

The **IR REVIVA fabric** is obtained from the recycling of plastic bottles. From recovery of 500 bottles we produce the necessary fabric to cover a three-seater sofa, consuming 94% less water, 64% less energy and reducing CO<sup>2</sup> emissions by 32%.

#### Une recherche en faveur de l'environnement.

**Le tissu IR REVIVA** est obtenu à partir d'un fil manufacturé du recyclage des bouteilles en plastique. De la récupération de 500 bouteilles nous produisons le tissu nécessaire pour recouvrir un canapé trois places, en consommant 94% d'eau en moins, 64% de moins d'énergie et réduction des émissions de CO<sup>2</sup> de 32%.

**SEAQUAL**  
INITIATIVE

**Il tessuto SE SEAQUAL®** è un filato di alta qualità, realizzato al 100% in poliestere riciclato e ottenuto dalla SEAQUAL INITIATIVE recuperando la plastica dispersa in mare. Ha le stesse proprietà tecniche del poliestere vergine, ma contiene il 10% di plastica riciclata da rifiuti marini e il 90% da PET post-consumo.

The **SE SEAQUAL® fabric** is a high quality 100% post-consumer recycled polyester yarn containing Upcycled Marine Plastic from SEAQUAL INITIATIVE. It is almost identical in physical properties to virgin polyester and contains 10% Upcycled Marine Plastic (from plastic marine litter), the remaining 90% is post-consumer PET from land sources.

**Le tissu SE SEAQUAL®** est un tissu de 100% polyéthylène post-consommation contenant plastique marin récupéré de l'INITIATIVE SEAQUAL. Il est presque identique aux propriétés physiques du polyester vierge et il contient 10% de plastique marin récupéré (à partir des déchets marins en plastique) et 90% de PET post-consommation des sources terrestres.

# L'ufficio cambia forma.

12

13

Lo scenario lavorativo è stato reinventato per sempre. Postazioni flessibili, spazi di collaborazione e intime nicchie definiscono gli uffici di oggi e di domani. In questo contesto, abbiamo allargato la famiglia People con prodotti che permettono di ritrovare la tranquillità senza allontanarsi dagli ambienti collettivi. È possibile ritirarsi in videochiamate, godere dei momenti di pausa o organizzare riunioni in un ambiente confortevole e protetto.

#### **The office changes shape.**

The business scenario has been reinvented forever. Flexible workstations, collaboration spaces and intimate niches define the offices of today and tomorrow. In this context, we have expanded the People family with products that allow you to find tranquility without moving away from collective environments. It's possible to isolate for video calls, enjoy break moments or organize meetings in a comfortable and protected environment.

#### **Le bureau change de forme.**

Le monde professionnel a été réinventé à jamais. Postes de travail flexibles, espaces de collaboration et niches intimes définissent les bureaux d'aujourd'hui et de demain. Dans ce contexte, nous avons élargi la famille People avec des produits qui vous permettent de retrouver la tranquillité sans vous éloigner des environnements collectifs. Il est possible de s'isoler pour des appels vidéo, bénéficier de moments de détente et organiser des rendez-vous en un environnement confortable et protégé.

# Sistemi agili per spazi che si trasformano.

Concentrandoci sui sistemi abbiamo realizzato famiglie di prodotto estremamente versatili, che si adattano a seconda delle specifiche esigenze del progetto. Sono sistemi flessibili, pensati per spazi contract e office che cambiano nel tempo.

#### **Systems for fast-changing spaces.**

By concentrating ourselves on systems we have created extremely versatile product families, that adapt themselves based on the specific needs of the project. They are flexible systems conceived for contract and office spaces that change along time.

#### **Systèmes pour des espaces en évolution rapide.**

En nous concentrant sur des systèmes, nous avons créé des familles de produits extrêmement polyvalentes, qui s'adaptent en fonction des besoins spécifiques du projet. Ce sont des systèmes flexibles conçus pour les espaces contract et les bureaux qui évoluent au fil du temps.

# Focus sulla qualità della vita: stare bene.

18

19

Progettiamo per il benessere delle persone. Ogni collezione che proponiamo nasce per fare entrare in sintonia l'uomo con l'ambiente che lo circonda, un legame autentico che si sviluppa attorno all'idea di comfort. Stare bene oggi significa adottare forme e finiture che esaltano la comodità, prestando un'attenzione particolare all'isolamento acustico, elemento fondamentale per rendere uno spazio accogliente, pratico ed efficiente.

## Focus on the quality of life.

We design for people's well being. Each collection that we propose is born to make the person get in tune with the environment that surrounds him, an authentic bond that is connected to the idea of comfort. Being well today means adopting shapes and finishes that exalt the comfort, paying particular attention to the acoustic isolation, basic element for making a space cosy, practical and efficient.

## Focus sur la qualité de la vie.

Nous concevons pour le bien-être des personnes. Chaque collection que nous proposons est née pour mettre la personne en harmonie avec l'environnement qui l'entoure, un lien authentique qui se développe autour de l'idée de confort. Être bien aujourd'hui signifie adopter des formes et des finitions qui exaltent le confort, en accordant une attention particulière à l'isolation acoustique, élément de base pour rendre un espace confortable, pratique et efficace.

# Il legame tra design, comfort e benessere.

**NE antibatterico** NE è un tessuto ignifugo antimicrobico, adatto per tutte le strutture pubbliche. È prodotto con un filato TREVIRA CS Bioactive, dove ioni di argento contrastano la propagazione dei batteri. Il risultato è permanente e rimane inalterato anche dopo numerosi lavaggi o un uso prolungato.

## The link between design, comfort and well-being.

**NE antibacteric** NE is a fire retardant antimicrobic fabric, suitable for all public spaces. It's made of TREVIRA CS Bioactive yarn, where silver ions contrast the spread of bacteria. The result is permanent and remains unaltered even after several washes or a prolonged use.

## La lien entre design, confort et bien-être.

**NE antibactérien** NE est un tissu antimicrobien ignifuge, adapté à tous les espaces publics. Il est produit du fil TREVIRA CS Bioactive, où les ions d'argent contrastent la propagation des bactéries. Le résultat est permanent et reste inchangé même après plusieurs lavages ou une utilisation prolongée.

**Certificazioni acustiche** L'isolamento acustico è fondamentale per vivere al meglio gli spazi in comune, andando a migliorare il benessere e la privacy delle persone. Per questo abbiamo diversi prodotti certificati sia in acustica che in assorbimento, ideali da inserire nel progetto contract contemporaneo.

**Acoustic certifications** Acoustic isolation is essential to better enjoy the open spaces, improving people's well-being and privacy. For this reason we have several certified products both in acoustics and in sound absorption, ideal to be included in the contemporary contract projects.

**Certifications acoustiques** L'isolation acoustique est essentielle pour mieux profiter des espaces ouverts, améliorant le bien-être et l'intimité des personnes. Pour cette raison, nous avons plusieurs produits certifiés à la fois en acoustique et en absorption acoustique, idéaux pour être inclus dans les projets contract contemporains.

### poltrone direzionali

Serie di poltrone direzionali che arredano con stile i diversi ambienti ufficio, da quelli contemporanei a quelli più classici. L'ampia gamma di proposte consente di spaziare tra i modelli dalle forme ad alto contenuto tecnico-ergonomico a quelle più tradizionali, dotate di dettagli e finiture che le rendono attuali. Il disegno e la qualità dei materiali impiegati esalta la lavorazione artigianale made in Italy.

### executive chairs

A series of executive chairs that will bring style to the furnishings of different office environments, from contemporary to traditional. The wide range of options includes models offering high technical and ergonomic performance to more traditional designs with details and finishes that make them more contemporary. The design and the quality of the materials used showcases the finest Italian craftsmanship.

### fauteuils de direction

Cette série de fauteuils de direction meuble avec style les différents espaces du bureau, du plus moderne au plus classique. Une vaste gamme qui s'étend des modèles aux formes hautement techniques et ergonomiques à d'autres, plus traditionnelles, aux détails et finitions qui les rendent très actuels. Le design et la qualité des matériaux utilisés met en valeur la réalisation artisanale 100% italienne.

### divani e sedute attesa

In equilibrio tra design e comfort, le poltroncine e i divani sono ideati per sale d'attesa, bar, ristoranti e hotel. Dalla scelta dei materiali al disegno delle forme, morbide e avvolgenti, ogni modello è studiato con cura e nel dettaglio, in linea con il concetto di break out area, spazio che oggi riveste una grande importanza nel mondo dell'ufficio.

### waiting area sofas and seating

Bringing together design and comfort, our armchairs and sofas are designed for waiting rooms, bars, restaurants and hotels. From the choice of materials to the soft, welcoming shapes, each model is designed with care and attention to convey the concept of a break out area, a space of great importance in today's offices.

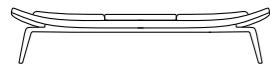

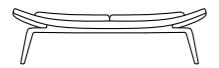

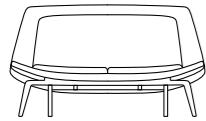

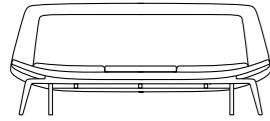

### canapés et fauteuils

Dans un équilibre entre design et confort, les fauteuils et canapés proposés sont pensés pour les salles d'attente, les cafés, les restaurants et les hôtels. Du choix des matériaux au design des formes, douces et enveloppantes, chaque modèle est étudié dans le moindre détail, en ligne avec l'idée d'espace de détente qui prend de plus en plus de place dans l'entreprise.

#### **conferenza – collettività – attesa**

Serie di sedute che si caratterizza per versatilità di utilizzo, dedicata agli spazi per la ristorazione – bar, caffetterie e sale mensa – aree meeting, d'attesa e conferenza. Flessibili e personalizzabili, i modelli combinano tecnica, materiali – plastica e metallo, con rivestimento in cuoio o in tessuto – e colori, nel segno del comfort.

#### **conference – visitor seating**

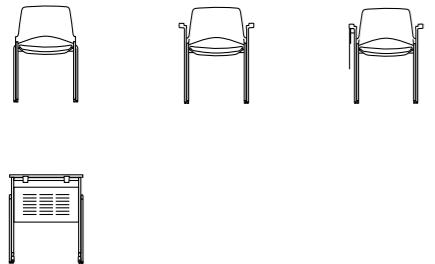

A series of chairs distinguished by their versatility, designed for catering spaces (bars, cafeterias and dining halls), meeting areas, waiting areas and conference venues. Flexible and customisable, these models combine engineering, materials – plastic and metal, with leather or fabric upholstery – and colours to give the ultimate in comfort.

#### **chaises conférence – visiteur**

Série de sièges caractérisés par une grande polyvalence, pensés pour les espaces de restauration ou les bars, les cafétérias et les cantines. Flexibles et personnalisables, les modèles associent technique, matériaux tels que le plastique ou le métal revêtus de cuir ou de tissu, et couleurs, toujours sous le signe du confort.
